	<p>Opening: brief about what they have been doing, we are going to approach the topic HOLOCAUST from a different perspective.</p> <p>What happened in Israel before, during and after the holocaust?</p>	
<b>Before</b>	<p>Timeline- to get some sense of direction.</p> <ol style="list-style-type: none"> <li>1. Who was ruling Israel? At the beginning of the timeline, I will put some pictures/ notes by this order:  <b>The Arabs</b>  <b>Crusader (Latin kingdom)</b>  <b>The mamluk</b>  <b>The Ottoman Empire</b>  <b>The British Empire</b> </li> </ol> <p style="background-color: yellow;">(don't waste time going in depth for each one- it is not relevant)</p> <ol style="list-style-type: none"> <li>2. <b>Time of British empire-1918</b> Establishing modern life in Israel- time of evolving that is because of the <b>BALFUR DECLARATION</b> (1917) <b>will back in our timeline to place that.</b> Basically a document from a minister of the British kingdom saying they are willing to support establishing the state of Israel (sidenote- for the Jewish people was time of excitement because it was the first time that they were actually supported)</li> </ol>	<p><b>Pictures</b></p> <p>Arabs Crusader The mamluk The Ottoman Empire The British Empire Balfour White book and a note</p> <p>A string</p>

	<p>The British kingdom was busy of keeping quite in Palestine between the Arbs and the Jews. And also limiting Aliyah.</p> <p>For that the made the white book Drop a white book In the book there is explanation about it, <b>let someone read it</b></p> <p>The white book- the name is because it was white. A book of rules and restrictions for the people on the land of Palestine, between all of them a specific rule that restricts the number of people who can come and live in Israel, to so Aliyah.</p>

A Game:  
Telephone:  
With the sentence- Alma is the best  
shinshinit.

Moral of the story, like your telephone  
was broken  
That is how people heard all what  
happened,  
Trough letters.

1933-1942

When they found out:  
David Ben Gurion (the leader of JAFI at  
the time) said, we shall ignore the  
white book- which was kind of against  
us and **reunite forces with the  
British army.**

1944- Ex: 38,000 joined the army from  
431,000 that there were.

Don't be mistaken the British army was  
not excited for that.

1. That could change the balance of  
the Arabs Jewish in Palestine.
2. Those trained people can  
eventually turn against the British

They fought in all units, example is  
the paratrooper- Hanna Senesh a  
Hungarian Jew that made Aliyah  
and Parachuted in Nazi Germany  
territory in order to get some  
information, she was tortured and  
killed.

	<p>She became a symbol of honor in Israel.</p> <p><b>Aliyah</b>, by boats to Israel, secretly behind Britain's back, for survivors and escapers from the holocaust.</p>	
<b>After</b>	<p>A few years after, UN proposes the establishment of Arab and Jewish states in the Land.</p> <p>Did not go well,  1947 The independence war.  1948 Israel was established.
