

מפגש עם ניצולי מסיבת הנובה

Ron here from the Nova Foundation.

We talked about the Ambassadors Program and I promised a short explanation-

The idea is to connect organizations with survivors who will tell their stories of heroism and reach more places worldwide. The goals are to help the survivors share their stories, to connect the Jews in the Diaspora to the State of Israel and of course also to raise donations for the continued rehabilitation of the Nova survivors.

We are looking for introductions to potential donors and fundraiser events opportunities. I am going to travel around the US from the 4th of September to the 18th of November.

Thanks for your help!

Regards,

Ron Segev.
