

## 2<sup>nd</sup> Lesson the week of 9/16-19

### ATiD 2-3 & K-1

**Big Idea:** students will learn first 3 letters of the Hebrew alphabet

#### Opening: today's subject

Every language is build out of words phrases and sounds.  
What builds the words in a language? Letters!  
Who knows the English alphabet?  
Does anybody remember any letters in Hebrew?  
Today we are going to learn some new letters.

#### New letters:

alef sounds like a -א  
bet sounds like b/v -ב  
gimel sounds like g -ג

#### Activity:

I'll call to one kid at a time and tell them to write the letters on the board. Then they will get some coloring sheets with the letters.

#### Conclusion:

We will repeat after every letter that we learnt.
